

CAFE Virtual Book Study

Chapter 6-7 Conclusion Question

You have now FINISHED the CAFE book! There will not be a learning journal, but would like you to respond to the final voice thread. On Monday I will be sending out a survey monkey evaluation to everyone and need your input to put the data into our grant. Thank you all for your participation!

- How has reading the CAFE affected the way you think about literacy instruction?
- Did you enjoy doing this book study virtually? What other book studies would you like to see in the future?
