

TOPICS FROM FASD

Question 1

What is the status of your HQMIP and do you have helpful hints you'd like to share?

Charlotte:

- Beginning stages – looking for direction from DOE/exemplars to guide / strategies to complete huge undertaking.

Pinellas:

- Complete (MTP)

Pasco:

- Beginning stage – trying to work through it.

Lee:

- MTP approved – HQ – in process for future

Hillsborough:

- Beginning stages

Polk:

- Beginning stages

Question 2

What topics would you like to see addressed at future FASD meetings?

Polk, Hillsborough:

- Visible learning continued – Julie Smith
- Use of data/Evaluation of PD – connecting student data.
- Central office support – C. Lassiter
- Instructional rounds
- Digital learning (BYOD, Moodle/Blackboard, course structure for optimal learning)
- Online learning for adults
- Staff development strategies
- Implementation / Follow Up

TOPICS FROM FASD

- Federal & Legislative Updates
- Leadership development – Level II , Lee, Sarasota
- Effective feedback, teachers to students - more from Dr. Julie Smith

Charlotte:

- More visible learning
- Free/little cost technology specific to PS/SD
- Data analysis from PD point of view
- Coaching strategies
- Discussion session for sharing by “Job Description”

Pasco:

- Blended learning, effective online PD (stop pulling teachers out), content specific sessions.

Pinellas:

- Implementation of content area coaching strategies
- More PD on “How to develop my staff” in relation to building leadership at the coaching level in schools.
- In the program – print target audience by level (ES, MS, HS)
- Art of coaching
- Cut big sessions in half – too long

Question 3

What key learnings will you take from the conference and how do you plan to implement them?

Sarasota:

- Visible learning materials – Lee, Sarasota

Charlotte:

- Visible learning materials, various forms of text, DOE info on HQMIP, Instructional rounds, Video of VIP – Videotaping instruction professionals – ideas for tech grant.

Pasco:

- Visible learning connection to what we are currently doing, VIP’s, teacher retention (what district can do to help).

TOPICS FROM FASD

Pinellas:

- Session with NISL for leadership development, applause for CO – excellent presentation for developing principal efficacy.
- Video's in Brevard – motivated to develop our own system to support PD and IRR for administrators.
- DLL implementation specifics to assist schools move forward on our TC map.

Hillsborough:

- Effective feedback
- DOE update on HQMIP
- Selecting appropriate support on Impact Effect (Julie Smith)
- Visible learning (Prof. Hattie)

Polk:

- Instructional rounds
- Effective feedback – Dr. Julie Smith. (We found this very helpful and we want more.)
- High-effect size strats !!!
- Videotaping effective instruction
- State updates

Pinellas:

- Microteaching
- Instructional rounds
- Effective feedback, share with other staff developers & AP's and use in coaching cycles, plus teacher / student.
- Monitoring PD
