

DOE FASD Briefing Slides

Teacher Evaluation

- What did we learn based on year 1 implementation??
- What do we need to do next?
- Is the “what next” supported by PD?
- Examination of Impact
 - Implementation issues
 - Fidelity
 - Training issues
- Level of teacher engagement

School Administrator Evaluation

- Redeveloped systems in Review
- What PD needed so School Admin system can be effective?
- How will we monitor implementatin to ID future PD needs

Non-Classroom Teacher

- Specialized eval systems for non-classroom
- State models coming
 - Student services
 - Media
- Other categories

Redevelopment of PD systems

- RTTT Expert Assistance coming
- What works in adult learning
- How to track IMPACT of PD
- Aligning PD components
 - educator prep
 - early careers supports
 - continuous professional improvement

Alignments

- Align teacher and school leader evaluation indicators

Alignments

- How are major frameworks alike? How different?
- What does one framework have that might improve the others?
- How do we link all frameworks to PD that can be shared?

Alignments

How do teacher and school leader evaluations focus **monitoring and feedback** on priority initiatives

- Standards-based Instruction
- Common Core
- MTSS
- Reading Complexity across the curriculum

Engagement

- **Evaluation Indicators** focus on priority issues for monitoring and feedback.
- Are your teachers and school leaders **ENGAGED** in improving proficiency on those issues?
- How do you know?
- What does PD do to promote growth?

Improvement Planning

- IPDP
- ILDP
- Deliberate Practice
- How to merge them

LIIS

- Local Instructional Improvement System

Single Sign on

WCG Program Update

- Updated content on FSL
- Undated Level II prep programs

Protocols

- New Leadership
- Next Years site visits
- Shift in focus to links between evaluation data and PD services
- New Reviewer training this summer
- Refresher training for current pool of reviewers

CET

- Update of Materials
- New Videos
- Workgroup to update underway
- New resources digital and online next year

Learning Goals

- New Online Module
- New Online Repository

Video Repository

- In development
- Districts can share resources
- Screeners to be trained
